### Decision Making And The Will

He does this by slowly going through many commonly cited verses that seem to support the secret-will-of-God view of decision-making ("God is not a God of confusion but of peace" "Trust in the Lord with all your heart... and he will make your paths straight," or any verse where God tells a biblical character what to do), and does what a good exegete does; he looks at language, context, nuance,

## **DECISION-MAKING & THE WILL OF GOD**

What is the relationship between free will and decision-making, the capacity of individuals to select among options or choices usually based on certain criteria. It would seem that, in principle, decision-making can exist outside of free will (such as in a computer), but free will cannot exist without the capacity to make decisions.

## **Free Will and Decision Making | Closer to Truth**

The traditional view holds that the Bible (God's moral will) gives most of the guidance needed to make a decision; but additionally, knowing God's individual will is essential for complete leading to the correct choice.

## **Book Review: Decision Making and the Will of God, by Garry ...**

Define the decision. Ask yourself if the decision involves a moral or non-moral area. It is actually a little easier to discern the will of God in moral areas because most of the time you will find a clear direction in God's Word. If God has already revealed his will in Scripture, your only response is to obey.
