own system together out of bits and pieces of other systems, but something was still missing: Direction. A framework. An overall strategy. That's what Do It Tomorrow provides. DIT provides the framework in which I can use whatever tools I need, without getting hung up on anything that doesn't meet my needs.

Strategic use of delay, “the mañana principle.”, do it tomorrow or DIT – are different names for the same time management technique that has been described in Mark Forster’s book “Do It Tomorrow and Other Secrets of Time Management”. To put it simple, according to this method incoming tasks are “scheduled forward” for tomorrow.
