Forex Trading Basics Improve your knowledge of trading forex with spreads, leverage and margin, and the advantages of using entry orders.

Forex Trading Basics: Discover Spreads, Leverage & Margin

The aim of forex trading is simple. Just like any other form of speculation, you want to buy a currency at one price and sell it at higher price (or sell a currency at one price and buy it at a lower price) in order to make a profit. Some confusion can arise as the price of one currency is always, of course, determined in another currency.
