mind, this book uses a clear mix of pictures, diagrams, and instructions help to build knowledge, boost confidence, and gain understanding.

Amazon.com: Help Your Kids with Math, New Edition ...

A popular way to help kids learn math is by engaging various senses. Teachers use sight, hearing, touch, and movement to help kids understand what numbers and symbols mean. (Teachers use this approach with reading and writing, too.) It can be hard for kids who struggle with math to use abstract thinking to do math problems.
