Tea, Coffee Chocolate: How We Fell in Love with Caffeine ...

There are few things in the world more pleasing than a decadent cup of hot chocolate, a steaming mug of one's favorite tea, or that first wonderful sip of freshly brewed coffee. Three of the great culinary obsessions of the twenty-first century, tea, coffee, and chocolate are long-time favorites of both casual diners and foodies, But how did we become so enamored of the big three? In her ...

Tea, Coffee & Chocolate: How We Fell in Love with Caffeine ...

Here, Melanie King, the author of Tea, Coffee & Chocolate: How We Fell in Love with Caffeine, explores the origins of our obsession with caffeine and chocolate... We may think of the 1650s as a time of puritanical austerity, with the banning of holly wreaths and the closing of theatres. But it was during these years of austerity that tea, coffee, and chocolate first went on sale in Britain.
